CANDY QUIZ

## HOW TO PLAY:

- Make time to shop for the specific candy because there's a punny prize for every question.
- Before the kick off have everyone complete a quiz and put one person in charge of tracking the questions.
- Figure out how you will give away prizes when there's more than one person who gets the answer correct. Ideas include rock, paper, scissors or guess a number behind the back. Also consider giving priority to someone who hasn't won a prize. You can choose your own way to divvy up the candy.
